Mental Health JSNA

Abstract

This is the JSNA chapter on mental health. Theme chapters summarise who is at risk and why, the level of need in the population, service provision and use, unmet needs, the evidence base, highlight the key issues and gaps, and provides recommendations for commissioners.

Introduction

Key Issues and Gaps

CROMPTON Bolton Health & Wellbeing Survey 2020

Bolton Ward 0981.GB PROFILE SHEET

The spine chart shows how the health of people in Crompton compares to the rest of Bolton. All results are taken from the Bolton Health & Wellbeing Survey 2020, with each indicator shown as a circle. The average rate for Bolton is shown by the black line, and the range of results for all Wards in Bolton is shown as the grey bar. A red circle means that this Ward is significantly worse than Bolton for that indicator; however a green circle may still indicate an important public health problem for the locality.

KEY TO SPINE CHART

- Significantly better than Bolton average
- Not significantly different from Bolton average
- Significantly worse than Bolton average

Worst Ward 25th percentile Best Ward 75th percentile

Indicator	Crompton	Bolton average	Bolton range	Bolton best
1 Self-reported excellent health	8.8	13.8	8.9 - 18.4	8.9

Joint Strategic Needs Assessment

NHS Bolton **Bolton Council**

We need your help...

The success of Bolton's Health Matters depends on all of us sharing our knowledge of the people of Bolton and learning together about their health & wellbeing needs.

Evidence in the JSNA and the Knowledge Hub is used by decision makers in Bolton to work together to care for and improve the health of local people.

We need your evidence in the Knowledge Hub if we are to do this.

You can submit your evidence to us via the [Submit Your Evidence](#) page or email jsna@bolton.gov.uk

Share your evidence about the health & wellbeing needs of people in Bolton

Bolton's Health Matters has two key elements...

2. The Knowledge Hub

Information & Evidence

An extensive and easily searchable repository of the information and evidence that informs the JSNA

Your one-stop-shop for detailed knowledge about the health & wellbeing needs of people in Bolton, and supporting evidence on how we should best approach improving those needs

Build a detailed search of the Knowledge Hub to get to the exact type of information you need

The screenshot shows the Knowledge Hub search interface. On the left, there are navigation menus for 'Current search' (331 items), 'Filter by Tags' (Behaviour and Risk Factors, Health, Disease and Mortality, People and Places), 'Filter by Source', 'Filter by Population Level', 'Filter by Information Type', and 'Filter by Geography'. The main search area shows 'Enter your search terms: alcohol' and 'Search results' for 'Alcohol JSNA'. The results include a summary of the JSNA chapter on alcohol, a link to the 'Bolton Alcohol Harms Needs Assessment', and 'LAPE - Local Alcohol Profiles for England: Bolton'. Below the search results is an 'Advanced Search' section with dropdown menus for Topics (Sub-topics 1), Geographical Level (- Any -), Information Type (- Any -), Population Level (- Any -), Source (- Any -), and Keywords. At the bottom, there is a 'Submission Menu' with a 'Document Submission' link and a 'Latest Additions' section showing 'Medicine for Managers briefing - Human Immunodeficiency Virus (HIV)'.

The Knowledge Hub

Provides an opportunity for us all to work together to share and develop our knowledge and intelligence of the health & wellbeing needs of people in Bolton

The screenshot shows the 'Document Submission Form'. It includes a table of contents for the JSNA for Bolton, a 'Document Submission Form' section with fields for Name, Email Address, Contact Number, Name of document/data source, Website address or file name, and Type of document/data source (with radio button options: Website Link, Data/Data Analysis, Map, Profile, Needs Assessment, Report, Policy/Strategy/Guidance, Evidence Review/Summary), and a 'Description' field. To the right, there is a 'The Knowledge Hub' search box with a search bar and a 'Search' button. Below the search box is an 'Advanced Search' section with dropdown menus for Topics (Sub-topics 1), Geographical Level (- Any -), Information Type (- Any -), Population Level (- Any -), Source (- Any -), and Keywords. At the bottom, there is a 'Submission Menu' with a 'Document Submission' link and a 'Latest Additions' section showing 'Medicine for Managers briefing - Meningitis'.

Submit Your Evidence for consideration for the Knowledge Hub via the document submission form or email jsna@bolton.gov.uk

Subscribe to your favourite tag topics

The screenshot shows the 'Topics Subscription' form. It includes a checkbox for 'Posts tagged with Alcohol', an 'E-mail address:' field, and a 'Subscribe' button.
